Frequently Asked Questions

To assist in your wedding planning I have compiled a list of the most frequently asked questions about weddings at the Westover Inn.

Q. How many weddings do you have in one day?

We only have one wedding per day. Part of the beauty of the Westover Inn is its exclusivity to the bride, groom and their guests.

Q. What size wedding can the Westover Inn accommodate?

We can accommodate weddings of up to 250 guests.

Q. Does the number of guests include children?

Yes, children are people too. We are happy to create a special menu for children. Remember to include the children in the number of people that the room can accommodate.

Q. Do we have to book guestrooms?

No, the guestrooms are available to you and your guests but you are under no obligation to book them if you are having your wedding here, with some exceptions to account for noise concerns.

Q. Is the Chapel always available?

Yes! If you are happy using it we are happy making it available. It is a beautiful old stone chapel that is not heated. It is very comfortable late spring through early fall.

Q. Can we bring our own wine?

No, wine that is consumed in a licensed establishment must be purchased on our liquor license. If there is something not on our wine list we are happy to order it in for you.

Q. Can we bring our own cake?

Definitely. Our kitchen staff will dismantle and plate for staff to serve to your guests.
